Remote Deposit Capture

Our newest Home Banking feature is now up and running. You can deposit a check into your account by simply taking a picture of it using the mobile app on your phone! First you need to have the mobile app installed on your phone. This can be done by either logging on to your Home Banking account using a desktop or laptop and clicking on the

button all the way to the right labeled mobility and following the directions for downloading or by installing the Touch Banking feature from the App Store using your phone. You will need to enter the following app code: mcpecumobile if using the App Store.

To deposit a check remotely log onto Touch Banking using your phone, click on the

deposit option at the bottom of the screen then select new deposit and enter the deposit amount. Allow Touch Banking to access your camera by clicking OK. Take a picture of the front and back of the check following the instructions above the picture capture box.

DO NOT ENDORSE THE CHECK. PRINT THE WORDS FOR REMOTE DEPOSIT CAPTURE ONLY
