MONMOUTH COUNTY POSTAL EMPLOYEES CREDIT UNION

Home Banking and Mobile Banking App

Hopefully you are now using the updated home banking feature on our website. If you're not, you will need to re-enroll your account. This new system is very user friendly! Just log on to our website www.monmouthpostalcu.org from a laptop or desktop computer and click on the Home Banking tab to your left as you normally would. Instead of logging in on this screen, click on the Enroll Online tab to the left. Follow the directions to set up your account. You can use the same log in ID

and password that you had, (no spaces or special characters) you are simply re-enrolling your account.

Mobile Banking is now in place for all Credit Union members as well. When you log into your Home Banking account, you will see a button labeled Mobiliti on the right side of the screen, click on that and follow instructions for set up. As always, if you have any trouble feel free to call with any questions 732-219-0009.
