#### EQUIFAX HACKED

Equifax has announced that it was breached back in July and as many as 143 Million US consumers may have been impacted. The company is offering free credit monitoring for those affected.

You can find out if your personal information may have been impacted at:

[www.equifaxsecurity2017.com](http://www.equifaxsecurity2017.com)

Click on ENROLL at the bottom and you will be guided through a 2 step process.

When you begin, you will be asked to provide your last name and the last six digits of your Social Security number.

Based on that information, you will receive a message indicating whether your personal information may have been impacted by this incident. Regardless of whether your information may have been impacted, you will be provided the option to enroll in TrustedID Premier.
